INFRASTRUCTURE  
and clients

## INFRASTRUCTURE

## PERSONALIZED IMPRESSION

The process of printing gives the fabric an enthralling look. Printing is undoubtedly a key arena for leaving a lasting impression. Our in-house printing unit has a capacity of both machine & manual table printing facilities. We have the facility produce 6000 pcs / day. We are specialized in pigment, non-PVC, glitter, puff print, foil, flock, and high density, discharge, and burnout prints.

## SUPERFLUITIES GUARANTEED

The art of embroidery adds beauty to any piece of apparel. Embroidery, the art of working raised designs in threads of silk, cotton, gold or silver upon the surface of fabric cloth with the help of a needle, has been known in India from very early times. Embroidery has a rich tradition in India.
